What was done so far...

The container yard  
built out to the sea

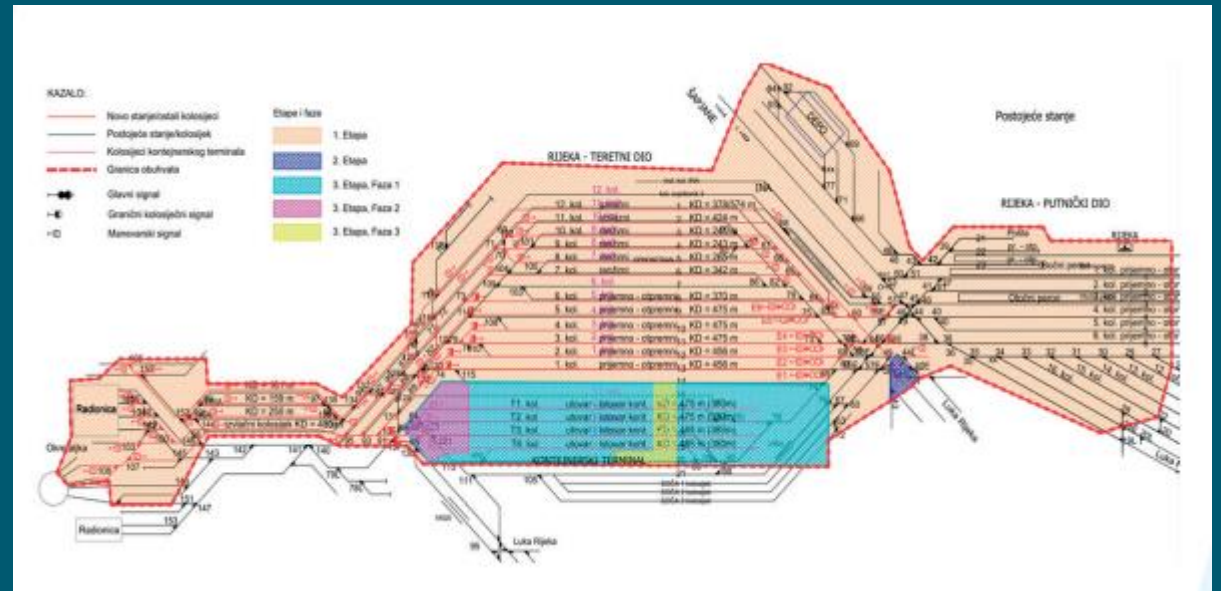

What was done so far...

# Reconstruction of intermodal yard

**Rijeka Gateway**  
Operated by  
APM Terminals and Enna

Currently...

Demolition  
works

14 buildings  
Total of over  
25.000 m<sup>2</sup>

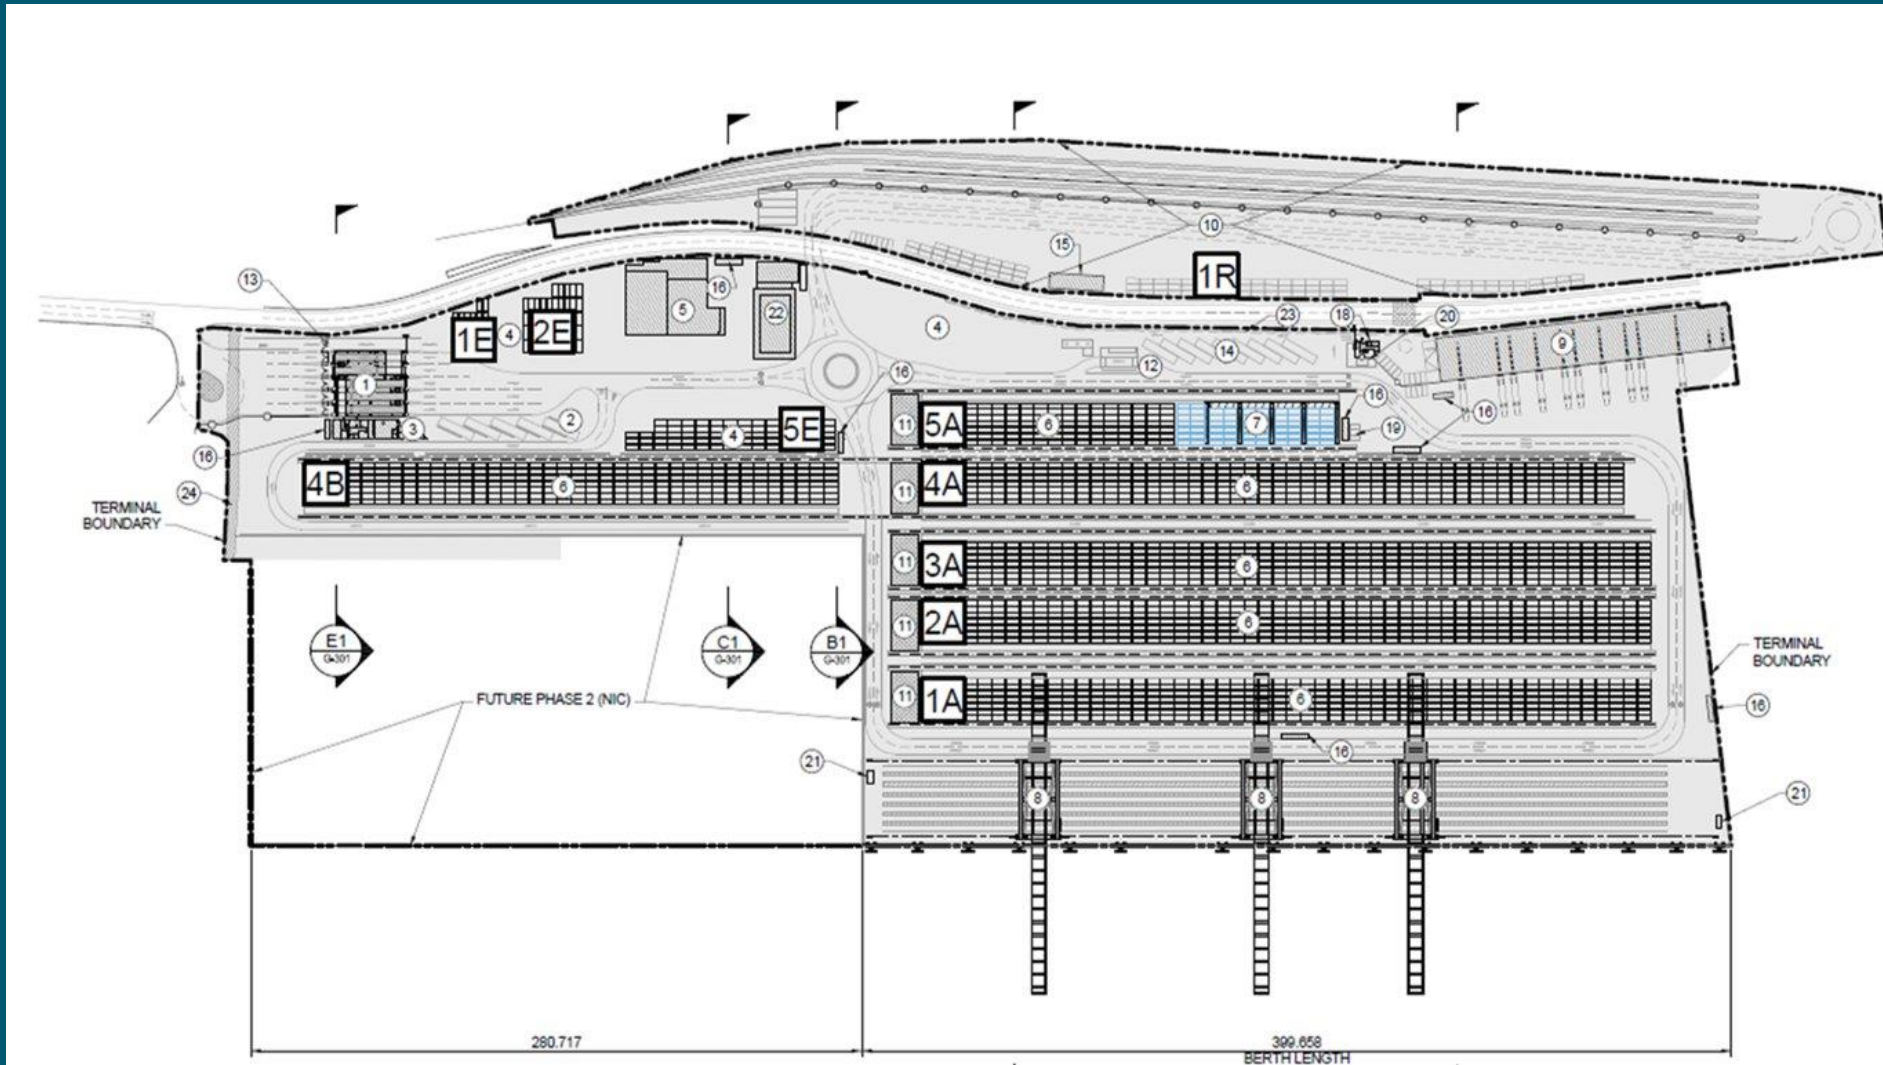

And then...

Full infrastructure,  
cabling and  
refurbishing of the  
yard

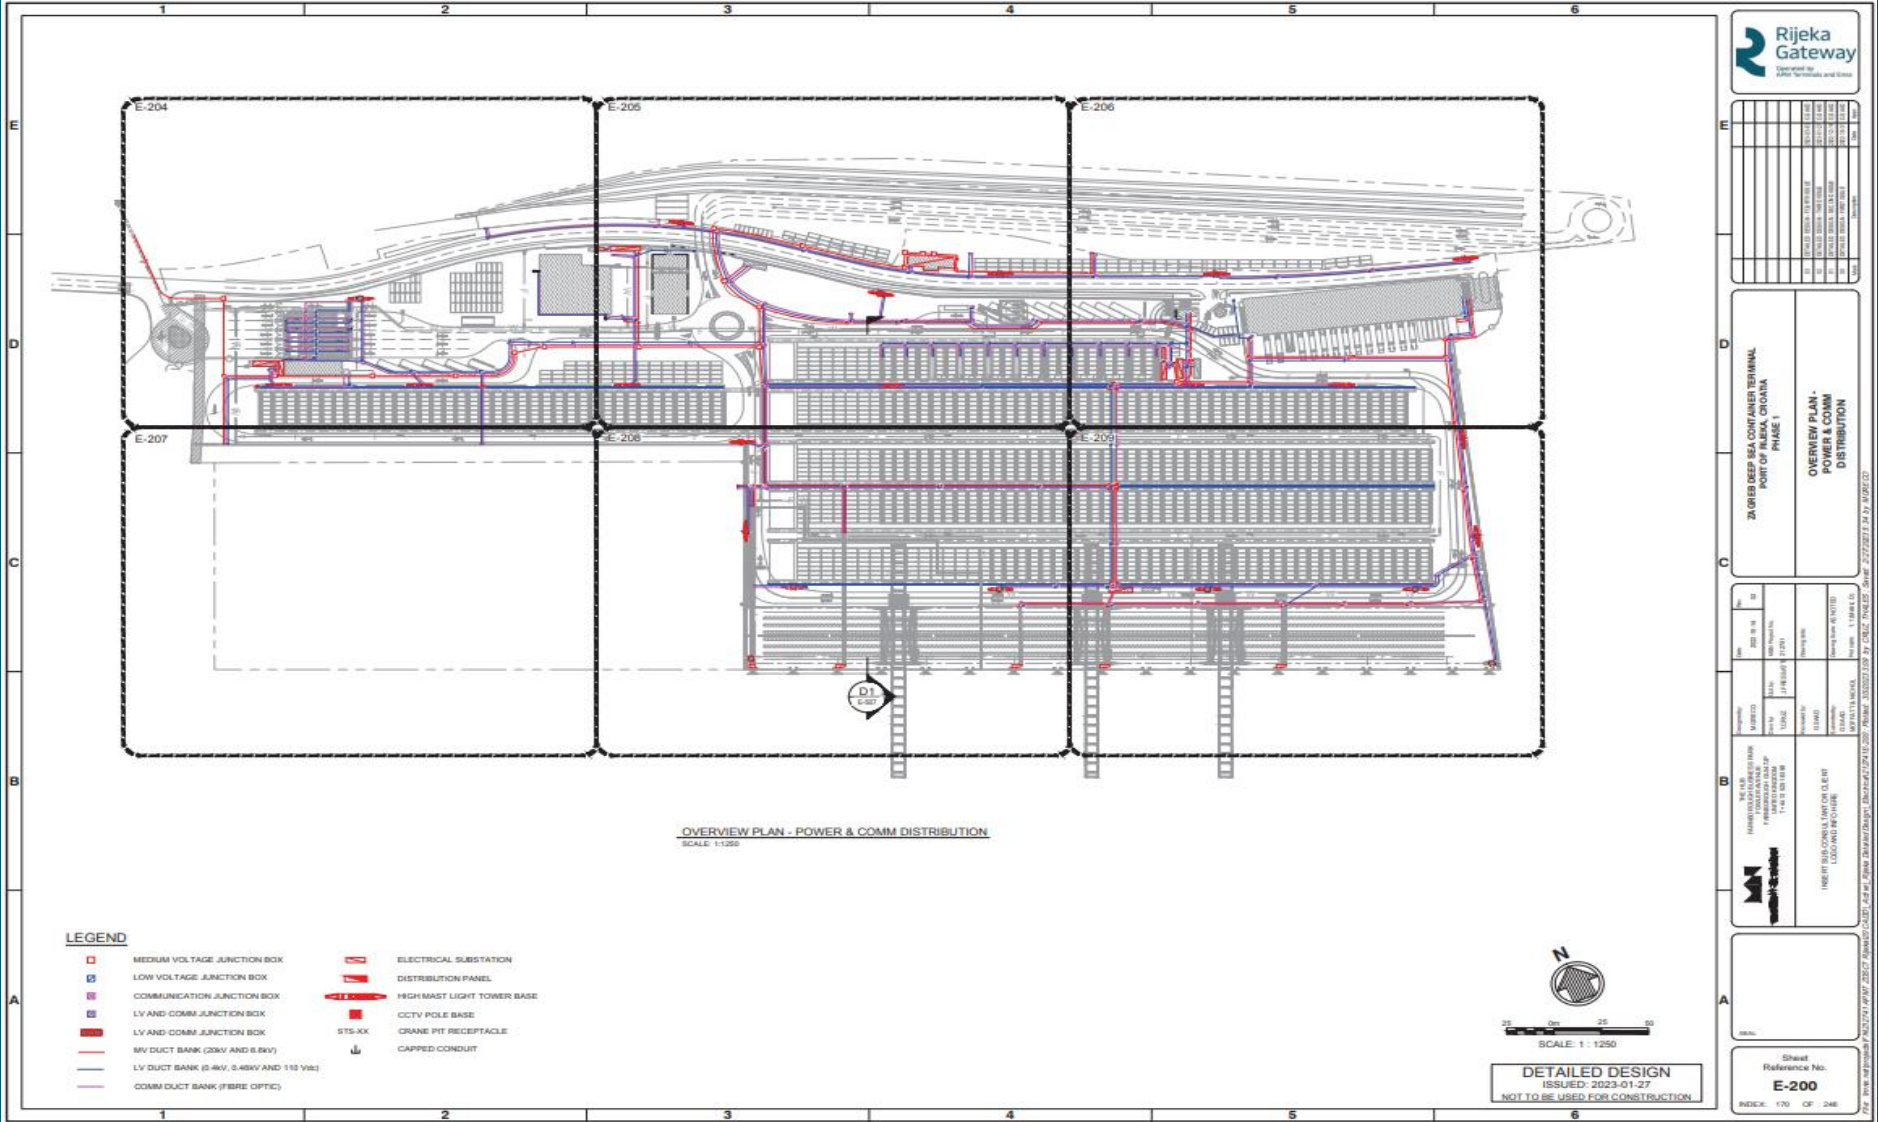

# Civil design...

# IT Infrastructure design

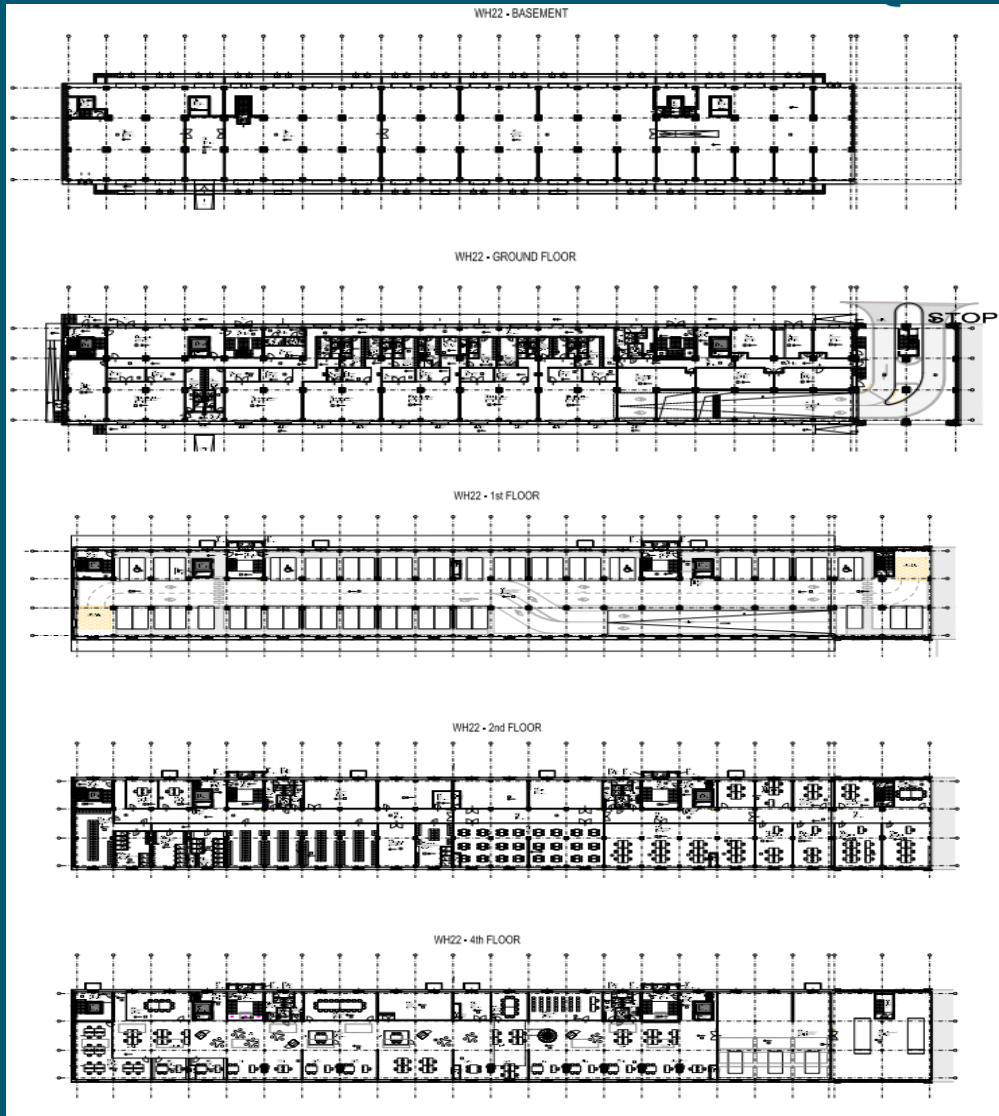

And equipment...

And then...

# Refurbishment of the old warehouse – heritage building

To finish...

But we do not stop there...

And here we are...
