- Decision on the identity of foreign certificates/diplomas
- Other (specify):

## STATEMENT

By signing this Form, I confirm that I am aware that my personal data given in the Study Agreement and this Form, as well as all other data about me, are collected and processed by the Faculty of Civil Engineering in Rijeka as manager, joint manager and/or processor for the purpose of executing the contract on studying and exercising rights and obligations based on student status, it can use them in its records, process them and enable their processing by legal entities in the system of science and higher education and competent public law bodies in the performance of their duties and powers.

For the duration of my studies, I agree that my personal data may be used for the publication of exam results in accordance with the general acts of the University of Rijeka and the Faculty of Civil Engineering in Rijeka, which apply to students, with the application of the least invasive measures of the extent of publication of personal data, wherever possible (for example, the publication of the identification JMBAG number instead of the publication of the first and last name).

By signing this form, I give my consent to the use of my email address registered in the AAI@Edu.Hr system for the contacting me for the purposes of conducting various researches and exercising my rights from the student standard.

I am aware that the Faculty of Civil Engineering in Rijeka will handle the above-mentioned data in accordance with European and national regulations and internal acts on the protection of personal data, ensuring the regularity of the handling of this data on the part of all persons who will be granted access to the data on a legal basis, which includes their use exclusively for legal purposes and in no way that could be considered contrary to the interests of the contracting parties.
