

Webinar for Faculty of Civil Engineering, University of Rijeka: Trial Access to EBSCO Databases

You are invited to a webinar to explore the high-quality, peer-reviewed resources available through EBSCO databases, which are now accessible via trial until March 13, 2026.

During the session, we will also demonstrate how to effectively use these resources on the EBSCOhost research platform and the EBSCO Mobile app.

Webinar Agenda

- Overview of content in EBSCO databases with trial access:
 - Engineering Source
 - Energy & Power Source
 - EBSCO eBooks EngineeringCore Subscription Collection
- Live demonstration of the EBSCOhost research platform
- How to access resources via the EBSCO Mobile app
- Q&A Session

	Zoom Meeting
	Tuesday, February 17, 2026
	10:00 - 11:00 AM

The session will be recorded.
